

These Little Chicks

These little chicks (cluck cluck)
are so cute (cluck cluck)
They happily go round,
and round their mother. (cluck cluck)
They drink water, (cluck cluck)
and say ahhhh. (cluck cluck)
They raise their heads,
and gratefully thank the lord. (cluck cluck)
They put on their new clothes. (cluck cluck)
They are happy, (cluck cluck)
because it is the «Eid» (cluck cluck)

(Eid: means feast)

We draw a duck and a goose,
and multiply 5 by seven.
We dance and sing!

Tutu the Rabbit

There was a little girl,
her name was Susu.
She played with a rabbit called Tutu.
Whenever she sewed a pink dress for her doll,
Tutu the rabbit would help her
thread the needle.

My Bird

I had a bird.

It was cute and playful,
with red and yellow feathers,
and eyes as black as night.

Early each morning,
before the other birds,
he would wake me up,
even though I still wanted to sleep,
saying “wake up, you’re lazy!
wake up, enough sleeping!”

Our Donkey,

Our donkey, our donkey
has a headache.

Mama made him a «tarboosh»(fez) that he likes
and also a red red hat

The Butterfly

I saw a butterfly with my own eyes.
It was flitting around me.
I ran trying to catch it,
but it escaped from my hands.
Where is the butterfly?
Where is the butterfly
It flew, it flew away.

فألت من بين ايدي.
